### FM Transmitter/Ventilation Update

It is believed that the FM Transmitter does not pose a danger to medical devices, by staying away from the sound booth. Sanctuary ventilation is safe enough to accommodate people in the sanctuary with physical distancing.

**Church office hours:** We continue to keep the church closed to the public to protect our worship services and at-risk members. Church staff is available during normal office hours, 8:30–4:00, and the library is open to check out books.
